MANAGEMENT
4 March 1965

RELEASE OF STATISTICAL DATA

1. Effective immediately, responsibility for the release to external requesters of statistical data concerning the productive efforts and resources of the Center is vested in the Assistant for Administration. Any component receiving requests for information concerning manpower utilization, personnel, financial resources and other administrative or management type data will refer them immediately to the Assistant for Administration.

2. The Assistant for Administration will be responsible for determining the nature and extent of the response, obtaining the necessary information to respond, utilizing the Management Information System and other component sources as necessary, and preparing, coordinating and releasing replies.
